## Appendix

### EIKON

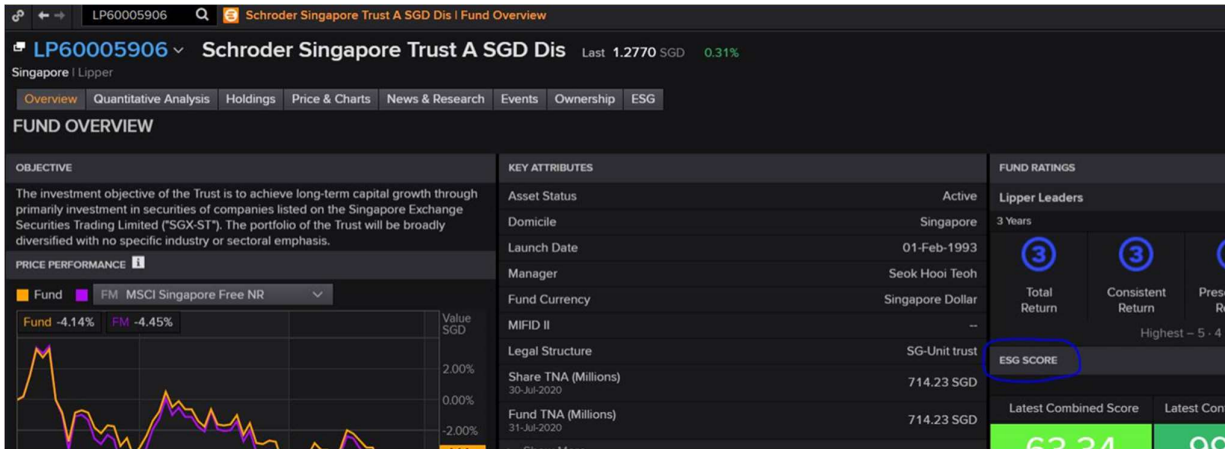

a. Enter ESG app in the search box, you can find methodologies from the documents (See screenshot below).

The screenshot shows the Refinitiv Eikon interface for ESG data. At the top, there is a search bar with 'ESG' entered. Below the search bar, the page is titled 'DEEP ESG CONTENT'. The main content area features the heading 'ESG data from Refinitiv' and a sub-heading 'At Refinitiv, our ESG data covers:'. The data points are: 76 countries, 450+ ESG metrics, and 1.8M officers and directors. On the right side, there is a 'DOCUMENTS' sidebar with a list of documents including 'Refinitiv ESG Documents', 'ESG Scores Enhancements - Notification', 'ESG Scores Methodology Document', 'ESG Scores - Enhancement (FAQ)', 'Refinitiv ESG Brochure', 'Screening Using ESG Data', 'ESG Carbon Data And Estimate Models', 'Sustainable Leadership Monitor', and 'SLM - Presentation'.

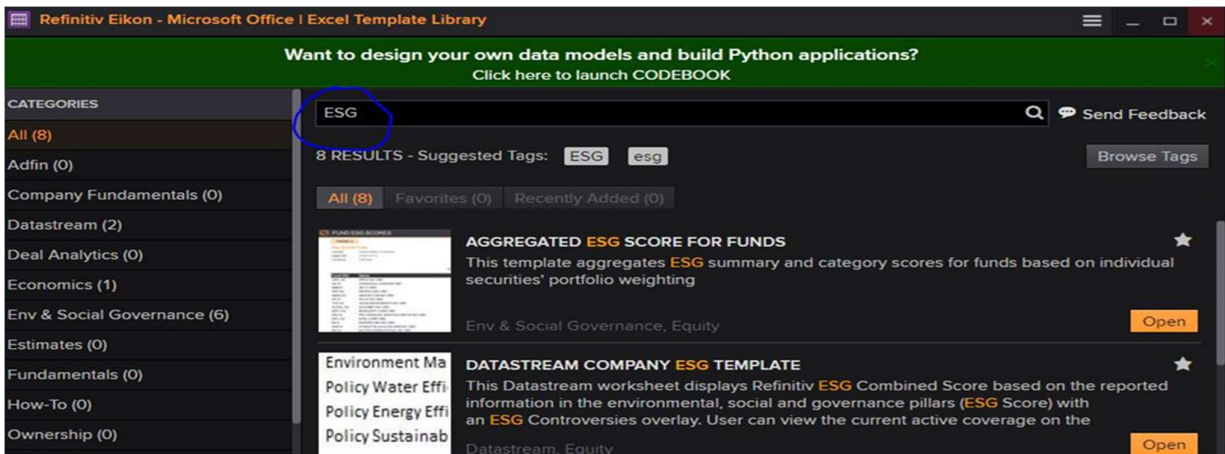

b. To search ESG scores of individual company, enter company name in search box. From the company's profile, refer to the tab labelled "ESG"

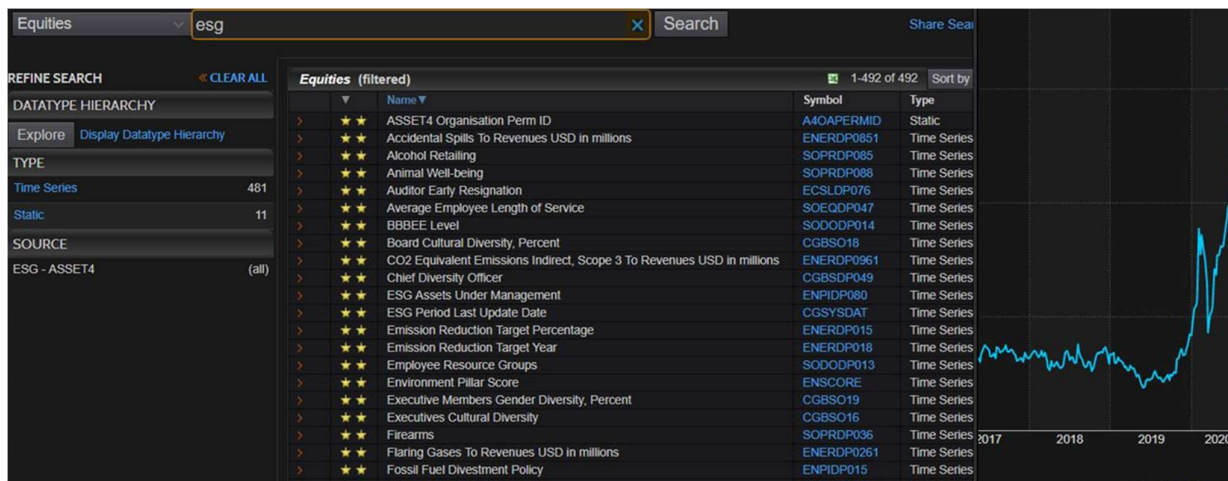

c. For mutual funds, ESG scores are available too, refer to Overview tab, see the ESG at the bottom right for the ESG scorings. You can click last tab ESG for more information.

d. Besides the EIKON app, you can launch Excel add-in. Click the Templates to explore ESG pre-built templates.

e. There are other ESG field types that you can refer in Datastream. See below 492 ESG fields types by entering DSCHART.
